SERIAL No. 1

To

The Dewan of Mysore.

Sir,

I am directed to invite a reference to my letter No.6408 dated the 7th September 1914, regarding the desirability of adapting to Mysore, the provisions of the Foreigners Ordinance, III of 1914.

Legis 24-14. before 1 Legis

2. Since then the Ingress into India Ordinance, V of 1914, has been passed by the Governor General, and the Resident trusts that a legislative enactment on the lines of this Ordinance will also be passed in Mysore.

3. This Ordinance is directed against dangerous or undesirable persons, not being foreigners, who may enter, or be deputed to, British India for the purpose of stirring up disaffection, spreading sedition, sowing discontent or obtaining information for our enemies regarding the actions of Government in this country. The Durbar will agree that it is extremely desirable at this juncture that a careful watch should be kept for such persons and that if any such person should arrive in the State he should be subjected to the necessary restrictions. In this connection I am to enclose a copy of the rules which have been published in Coorg, and the Resident will be glad if action on similar lines is taken in the Mysore State.

9

4. In modification of my letter No.6519, dated the 10th September 1914, I am to request that the report asked for in my letter No.6234, dated the 1st idem, may now include all dangerous or undesirable persons, not being foreigners in the Mysore State. It will be convenient if this report also shows the action taken in each individual case.

I have the honour to be,

Sir,

Your most obedient servant,

(Sd.) P.B. Warburton.
